SUBJECT: Fiscal Year 1960 Military Aid for Libya: Correction of Error

As the Department may already have noted, the self-financed defense expenditure data for Libyan fiscal years 1958/59 and 1959/60 given on Page 2 of Enclosure No. 1 to the referenced despatch (Country Team Table 1, Total Resources Available for Defense) do not agree with the corresponding data given on Page 1 of Enclosure No. 2 (Country Team Table 2, Part B).

The data in Table 2 were changed at the last minute to reflect new information. The Embassy regrets that corresponding changes in the figures in Table 1 were overlooked.
